Dear Sir,

Final Arrangements have been made for the Training Week-end to be held from 4th - 6th March 1966, and a copy of the programme is enclosed.

The course subscription is 12/6 per boy entering and this must be enclosed with the application form. Provisional application forms are in the Battalion handbook but it would be of assistance to the D.E.A. Committee if Officers concerned would kindly complete the enclosed application form immediately and send by return of post.

Enclosed with this letter is a list of equipment and clothing necessary for the boys attending the course. It is not advisable for new entrants to the scheme to purchase new equipment for this weekend as instruction will be given in the best type to buy, but officers should bear in mind that the night expedition will take place regardless of weather conditions and boys should be dressed accordingly.

Yours sincerely,

~~for~~ R.L. Dickinson,

D.E.A. Convenor.
