Dear

You should by now, have been told that your D.E.A. Expedition log at Gold level has been accepted by the Expedition Committee and that you have now passed the Expedition Section of your Gold D.E.A.

In view of this I am pleased to invite you to join us on the Committee as a member of the Expedition Staff and I would appreciate your reply to this invitation by Friday, 20th September, 1974, by means of the enclosed form. I must point out at this stage that, because our Organization has now grown so large, not all of you may be called upon to instruct at first, but your acceptance will be ready as meaning that you are prepared to help in whatever way you are asked.

Yours sincerely,

R. Hardy.
