Logs returned to the Boys for improvement must be returned direct to me by 31. May at the very latest. No log can be accepted after this date under any circumstances.

If extenuating circumstances caused the delay and non-submission of a log, then I may agree to accept the log if it is sent direct to me, together with details of the extenuating circumstances, to arrive not later than 31. May. No log will be accepted after this date under any circumstances.

I trust that you will do your utmost to encourage such Boys to complete this section of their Award. May I thank you for encouraging them to come this far.

May I remind you that ~~First Stage Expedition Badge~~ is awarded at Company Level. ~~Second and Third stages~~ are under Battalion control, and the signature of the ~~Badge Registrar~~ is required on all orders for these Badges. ~~2nd Stage~~ is awarded to those Boys who held the 1st Stage on 31st August last (Captains notify this on Application forms for Training Weekends). ~~3rd Stage~~ is only awarded to those Boys ~~to whom~~ we have already awarded the 2nd Stage. The final list ~~is sent~~ to the Badge Registrar on and cannot be amended after this date.

Yours sincerely,

 Expedition Organiser.
