Dear

I am very pleased to be able to inform you that your D.E.A. Expedition Log at Gold level has been accepted by the Expedition Committee, and that you have now passed the expedition section of your Gold D.E.A.

In view of this we are very pleased to invite you to join us on the committee as a member of the Expedition Staff. I would greatly appreciate your reply to this invitation before the 1st September 1975. I must point out at this stage that, because our organisation has now grown so large, not all of you may be called upon to instruct at first, but your acceptance will be read as meaning that you are prepared to help in whatever way you are asked.

Congratulations on a job well done.

Yours sincerely,

Colin Marshall

(Expedition Organiser)
