Dear Mr. Williams,

As you will no doubt remember, I booked with you last Easter for accommodation in your bunkhouses, for Easter 1976. I would be obliged if you would confirm, as soon as possible, that we can have accommodation in your Large Bunkhouse, which I believe includes the small kitchen room, the small Bunkhouse, and Both Barns. We shall be arriving on Thursday 15th April and departing during Monday 19th April.

Also, if I recall correctly, you have a caravan on the site. Perhaps you could let me know if this is available and at what cost, as we would possibly be interested in using this as well. If you could let me know I will reply by return.

Yours sincerely,

Robert A. C. Hardy.

Dear Mr Hardy

Thank you for your letter I had looked
both bunkhouses and the wool barn. The other barn
has been severely damaged during last week's storm
whether we get it repaired in good time as that
depends on my landlord. The caravan is also available
which is a four berth at £1.50 per night. So I will also
reserve the caravan for you

yours sincerely

Thank you for your letter. We still provide
mills also fresh eggs and sliced bread. But we
would like to know approx how many loaves required
With regards to the loan, I do not know when the
