West Malling,
Kent.

Dear

Due to the large number of Assessing Staff available at the Bronze Training Weekend, I have found it impossible to fully utilise your services for the training of boys. I have, therefore arranged for you to be included on the Staff for this weekend under the supervision of Mr. A. Price, who will give you further training and also, where possible, use you for the purpose of assessing and teaching.

I feel that this will be of benefit to yourself and to the DEA Expedition Committee. I look forward to seeing on the 25th February, 1978.

Best wishes,

P. Underhill.
Deputy Expedition Organizer.
North West Kent Battalion Boys Brigade.
