Dear

TEL. W.M. 846263

As you are no doubt aware, at the coming training weekend on the 8th - 9th March you will be undergoing training as an assessor.

I have been asked by Colin Marshal , who is organising your training, to let you know that you will be taking part in a number of practical sessions and will therefor need to equip yourself with all of the usual gear for undergoing an expedition eg. Clothing,Tent,Stove,Fuel etc.etc.

Food for all of your meals will be provided but all other items must be brought along.

Look forward to seeing you on the 8th,

Geoff Steel.
