Dear

Now that you have completed your Gold Expedition it is felt that you may like to help others to obtain their expedition sections. The first Training Weekend of this session is for Bronze level on 10th/11th October, but prior to this there is a Training Day to which we would expect to see all of those accepting this invitation, attending. The Training Day is on SATURDAY, SEPTEMBER 12th 1981 at Knightrider St. Baptist Church, Maidstone, Kent, from 9 a.m. to 5 p.m. and I would request that you fill in the form below and return to me as soon as possible, but certainly NO LATER than FRIDAY, 4th SEPTEMBER, 1981.

Yours sincerely,

ROBERT A.C. HARDY.
