Dear

We are now making final preparations for the Bronze level Expeditions which, this year, are taking place in the South Downs area of Sussex on Saturday 30th April and Sunday 1st May, 1983. In order to keep the cost of this expedition as low as possible we will provide the assessment of the groups but would request that you, at Company level, arrange for the young people to be at the meeting point at 9 a.m. The meeting point is at the Parking area at map ref. 338180 on Ordnance Survey Map No. 198, (this is near Burgess Hill, Sussex). We shall be finishing at this point also and would request that you arrange to pick up your young people at approximately p.m.

I am enclosing herewith the correct number of application forms and equipment lists required for your Company members and would like them returned to me, at the above address, no later than FRIDAY, 25th March, 1983, together with the fee of £2.50 per person. Any boy/girl who is not a member of the Boys' Brigade must fill in an indemnity form and return this to me also - these are enclosed if applicable.

Yours sincerely,

*R. Hardy*

Robert A.C. Hardy.
