Dear Mr. Hardy,

Please find a cheque for £5.00 and accompanying forms for two boys from the 12th Thameside B.B. for the D.E.A. Expedition. I regret that on Doctors advice my own son, Robert Smithers, will not be able to attend. He is bitterly disappointed as you can imagine. I trust this will cause you no undue inconvenience, but we feel we must follow the medical advice.

Yours sincerely,

David Smithers  
[ Robert's father ]
