(dictated before me 9th April 1984)

Dear Robert,

D.E.A. Transport to Snowdon.

Thank you for your detailed letter of 2nd April together with cheques for £748 which I have passed on to Maidstone and District. I also gave them a photostat copy of your letter as representing the movement order.

I have been through this with them and I do not anticipate any difficulties. The receipt is attached.

I have emphasised the ^{wisdom} ~~system~~ of ~~not~~ providing the newest coaches and they will provide drivers who are accustomed to teenagers, prepared to rough it if necessary. I anticipate the driver of the Maidstone coach will be Bert Wright, who is known to a number of our lads already and a similar character on the Gravesend coach. Les Day has promised to contact me if he runs into any difficulties, but I do not anticipate that.

They will arrange accomodation ^{for the drivers}.

Yours sincerely,
OBJECT—The advancement of Christ's Kingdom among Boys and the promotion of habits of Obedience, Reverence, Discipline, Self-respect and all that tends towards a true Christian Manliness

Edward
