Dear Robert,

Thank you for your letter of the 15th January. I have slightly amended the form, firstly to add the date of signing and also to add an acknowledgment that the person concerned has received a copy.

I think it would be as well in future if two copies were available, one for the Battalion to keep and one to be kept by the individual. As you know, I am not certain whether the document would stand up in the event of a claim but it at least gives us a certain amount of cover.

Yours sincerely,

Enc.
