Dear Robert,

DEA Coach To Snowdon - Easter 1988.

I have now seen Maidstone and District at Gillingham and can confirm that I have booked the coach ~~at~~ the same time tabling as last year starting from Maidstone going via Gravesend. There is of course a nominal increase on the rate paid last year, although discounted to us and the price for 1988 is £450, this assuming that we provide the living accommodation for the driver as previously.

I have requested that either Pip or Bert should drive. Please will you let me have payment some time before Easter in order that we can clear up the paperwork.

Yours sincerely,

*H. G. V. Cooke*
