Dear Alan,

Thanks for your letter of August 15, and my apologies for the delay in a written reply. I trust that the verbal reply and confirmation of your plans was passed to you by one of your colleagues who was here since you wrote.

You have asked for 12 beds on Weds March 23, 1989 and 35 for the nights of the Thursday, Friday and Saturday, leaving Sunday from 4pm onwards. At present the kitchen is not booked for use on Weds night/Thurs a.m. but you will realise that some other group leaving Thursday morning at the latest - to allow your group in - might well be using it. I am sure you would be able to work around them, but would also remind you that your 12 beds on that night will be 8 in the Annexe, and 4 in the Microflat the bottom room of which you would be using anyway as your Control Centre with the phone and your computer. The Annexe has a Calor cooker, and hot water, and the Micro has microwave oven, toaster, kettle, fridge and sink, so I'm sure you will manage perfectly well.

The cost of all you want will be £500 i.e  $35 \times 4.35$  and  $1 \times 12 \times 4.35 = 508.95$ , which I've rounded down to 500. And because it's you I'll reduce that to £475.00 ! Unless I hear anything to the contrary I'll assume that this is acceptable, but if it's not on from your end please tell me a.s.a.p. because I know that period will be very much in demand, and future plans for this place have to take bookings into account.

Good wishes,
