Dear Phyllis

Thank you for your recent letter concerning Expedition Training (Silver and Gold levels).

The Activities Committee discussed your request for Training to take place on 3-5 November 1989 and during February 1990 and have agreed to this, subject to the submission of full Programmes with the Expedition Registration Forms.

The Committee again expressed concern about the possible dangers of outdoor activities which take place outside daylight hours, and asked that you pass on this concern to the trainers responsible for putting the Programmes together. Please note that permission is granted for Winter 1989/90 only, and further requests must be submitted for subsequent occasions.

I do hope that this is acceptable to the Companies involved.

With best wishes
Yours sincerely

Miss G Richards
National Training Adviser
