Dear

Will you please note, that due to the numbers of Silver & Gold participants going to Snowdonia at Easter, we have found it necessary to arrange transport for all groups, both Silver & Gold, to go on Wednesday 27th March.

The coach and minibuses will be leaving Leybourne (near West Malling) at approximately 0900. Participants are requested to arrive at 0830 in order to pack the coach.

I hope that this change from previous years does not cause any problems. If, however you have any, please do not hesitate to contact me.

Yours sincerely,

Robert A. C. Hardy
