Dear Alan,

I hope you had an enjoyable weekend even though it rained (I listened to the answer machine this morning).

Thank you for leaving me the dates, I know have next years diary and I just wanted to check that the dates I already had were correct before entering them in the new diary, so you are now booked in for the following weekend;
Oct 19, Feb 1, March 14, Oct 3 and Oct 17. Any changes to these just let me know.

All the best

Pat Jackson
